

Taxiway Bravo Pavement Work

On Saturday, January 12th and Saturday, January 19th, Runway 25R will not be available for full length departures from 12:00 am to 2:00 pm. Taxiway Bravo is scheduled to close between Taxiway Foxtrot and Taxiway Bravo 1 during the aforementioned times to facilitate concrete maintenance, restricting access to the east end of Runway 25R. All aircraft departing Runway 25R should plan to depart from the Taxiway Foxtrot intersection. A Notice to Airmen (NOTAM) will be issued 48-72 hours prior to the scheduled closure. Please plan your flight operations accordingly. For current airfield operating conditions check the published NOTAMs for Los Angeles International Airport (LAX) at <https://pilotweb.nas.faa.gov>. Thank you for your support.
