

TRAVEL ADVISORY FOR “CENTURY CRUNCH”)

Los Angeles International Airport (LAX) has issued a travel advisory complete with public transit information and tips to help avoid traffic congestion caused by the Century Crunch, a 57-hour closure of Century Blvd. at Aviation July 25 through 28, which is expected to be one of the busiest weekends of the summer travel season.

The advisory can be found on LAX’s website by clicking the Century Crunch banner and at this link: <http://www.lawa.org/CenturyCrunch/>

The closure is taking place so an old railroad bridge at the intersection can be demolished and allow for the future construction of a new Century/Aviation light rail station. Demolition will close a portion of Century Boulevard, a major artery leading into LAX during one of the busiest travel times of the year. It also will restrict traffic on Aviation Boulevard. An estimated 92,800 motorists travel through that intersection on a daily basis.

For more information on the Century Crunch or for a printable detour map please visit Metro’s Century Crunch website at http://www.metro.net/projects/crenshaw_corridor/demolition-century-city-bridge-july-25-28/ or follow Century Crunch on Facebook at <https://www.facebook.com/CrenshawRail> and on Twitter at <https://twitter.com/crenshawrail> or #CenturyCrunch .

Travelers can find timely information on flight status, real-time traffic conditions, construction impacts on roadways and inside terminals, and other tips at LAX’s web and social-media sites at www.LAXisHappening.com , www.lawa.org/welcomeLAX , Twitter @FlyLAXAirport, and www.Facebook.com/LAInternationalAirport .

Issue Date: JULY 23, 2014

Subject: TRAVEL ADVISORY FOR CENTURY CRUNCH

* The LAX Operations Advisory will be posted on LAWA’s Airport Operations web site and can be retrieved at <http://www.lawa.org/airops.aspx>
