Dear Mr. McClardy:

On behalf of Los Angeles World Airports (LAWA), I am pleased to submit the updated Title 14 Code of Federal Regulations Part 150 (14 CFR Part 150) Noise Exposure Map (NEM) Report for Los Angeles International Airport (LAX). Pending review and acceptance of the LAX NEM Report by the Federal Aviation Administration (FAA), this Report will replace the NEMs previously accepted by the FAA on October 16, 1984.

Enclosed are five (5) hard copies and one (1) electronic copy of the Final LAX NEM Report. Also included in this package are five (5) hard copies of Appendix I containing full-size versions of the 2015 and 2020 NEMs for LAX, other supplemental exhibits, and the FAA's Noise Exposure Map Checklist – Part 1 in accordance with 14 CFR Part 150.

LAWA looks forward to receiving FAA's acceptance of the Final 2015 LAX Noise Exposure Map Report. Please do not hesitate to contact me at (424) 646-6499 with any questions or comments regarding the contents of this package.

Sincerely,

Scott Tatro  
Airport Environmental Manager II
