## Construction Hot Topics

Week of March 11 through March 15, 2019

### 4. UPDATE: Departures Level Pedestrian Detour between Terminals 1 & 2

- Work is complete on the temporary sidewalk on the Departures Level between Terminals 1 and 2 as part of the Terminal 1.5 Site Improvements project. Guests are being routed onto the temporary sidewalk through March 2020 due to construction airside at the Terminal 1.5 site

*Departures Level, Curbside (between Terminals 1 & 2) Canopy Construction*

*Midfield Satellite Concourse*

### 5. UPDATE: Midfield Satellite Concourse Construction

- Construction of the Midfield Satellite Concourse (MSC) is making great progress! Roof work is nearing completion, with the ocean swell design easily distinguishable
- Fun fact: The MSC's roof was specifically designed to complement the "breaking wave" design of the roof atop nearby Tom Bradley International Terminal, located just east of the future site of the MSC
