## 1. Terminal 3 – B – 4: Arrivals Level Lane Restrictions

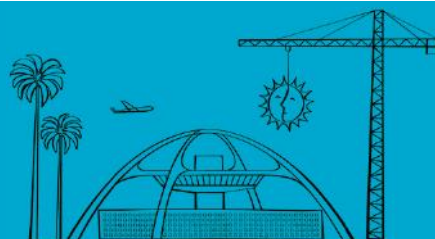

- SoCalGas is installing a gas line underneath the Arrivals Level roadway between Terminals 3, B and 4; to facilitate this work, portions of outer lanes may be restricted nightly through the end of the year
- Through traffic will be maintained at all times as well as access to and from Parking Structures 3 and 4 and pedestrian sidewalk / crosswalk access
- Note: This work will be performed in phases. The area illustrated below indicates entire project scope; work locations & restrictions will vary by night but traffic and access will be maintained

Terminals 3 – B – 4: Nightly Arrivals Level Lane Restrictions

Change is in the Air(port).

**LAX** WAY BETTER. REALLY.

## 2. Terminal 5.5: Departures Level Lane Restrictions

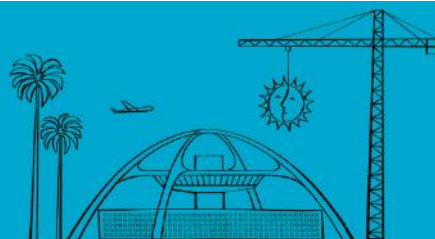

- To install glass panels on the façade of the building, the Terminal 5.5 Project will restrict some Departures Level roadway lanes between Terminals 5 and 6 nightly (10P to 6A) through October 22, 2021
- Vehicular traffic is maintained at all times
- Hotel & Private Parking Shuttle stops will be available both before and after the closure, along with passenger drop-off
- During work hours only, pedestrians must use the Arrivals Level sidewalk to travel between south side terminals and avoid the work zone; Flaggers and signage will be in place

Terminal 5.5: Nightly Departures Level Lane Restrictions

Change is in the Air(port).

**LAX** WAY BETTER. REALLY.
