1. Parking Structure 2A: Civil Improvements Project

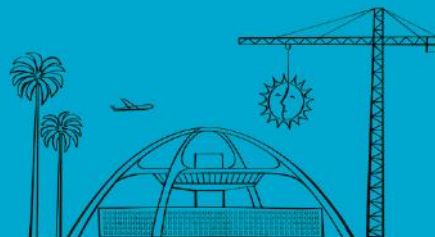

- Parking Structure 2A will undergo civil improvements, including fire sprinkler installation and upgraded interior lighting, beginning Monday, January 30 through Tuesday, June 6, 2023
- One level will be closed at a time for approximately six weeks per level while work is performed
- The Valet Service will be closed from Monday, January 30 through Saturday, March 11
- Vertical circulation will be maintained throughout the structure, as well as ingress to and egress from the parking garage
- For questions please contact ABM at 310-646-2911; this is a 24/7 number

Parking Structure 2A will experience level-by-level closures through early June 2023

Change is in the Air(port).

LAX WAY BETTER. REALLY.

2. Vicksburg Avenue Nightly Closures Extended

- To facilitate work for the Landside Access Modernization Program, the nightly closures of Vicksburg Avenue between 96th and 98th Streets have been extended through May 2023
- These closures will be implemented nightly from 11PM to 7AM
- A nearby portion of 98th Street, illustrated below, is currently closed 24/7 for work by the Automated People Mover project (schedule through April 2023)
- Detours are in place to ensure traffic is maintained at all times between these closures
