## 2. Terminal 2 / 3: Project Update

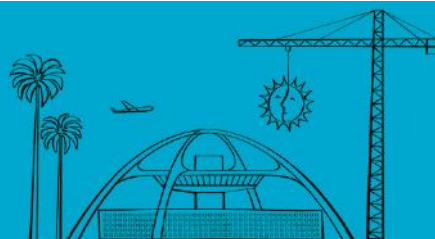

- Construction continues on the Delta Sky Way Program to modernize Terminals 2 and 3
- Part of the project includes building a secure connection between Terminal 3 and Tom Bradley International Terminal, pictured below, which will allow passengers to move between the two terminals without leaving and having to be re-screened by TSA
- On the roadways, portions of both Departures and Arrivals Level lanes and sidewalks are closed to facilitate construction in front of Terminals 2 and 3; guests should watch for posted wayfinding and detour signage to safely navigate around restricted areas

*When the Terminal 3 / Terminal B connection is complete, passengers will be able to walk between all LAX terminals without leaving security*

Change is in the Air(port).

**LAX** WAY BETTER. REALLY.
